Assembly Technician

Description

FIVES DTS is looking to hire an Assembly Technician for opportunities with an industrial equipment manufacturer in Columbus, OH.

Responsibilities

- Under general direction, perform the build, wire, plumb, and debug of mechanical and electrical components, and building custom automation systems, robotic cells, and large factory automation projects
- Read, interpret and follow assembly drawings to determine assembly component parts and proper build sequence. (Understanding SolidWorks is a plus but not necessary)
- Assemble all aspects of a machine or multi-systems from drawings and/or verbal instructions
- Test assembled parts and perform fit and function tests
- Work with the team to perform the final assembly of large production systems
- Work with the team as well as project managers, customers, designers, leads and programmers to solve technical problems in order to provide the customer with a complete and functional system
- Works with the team for teardown and installation of equipment
- Some travel is required

Qualifications

- A Positive attitude with technical aptitude or background is required. Knowledge of mechanical drawings and practices, electrical diagrams, schematics and practices, pneumatics and general assembly procedures is beneficial
- The employee may be required to stand, walk, push, pull, reach overhead, and bend to the floor
- Exert up to 50 pounds of force occasionally, and/or exert up to 30 pounds of force frequently
- Working Conditions – The employee is subject to the manufacturing floor environment with frequent exposure to high noise levels and/or physical hazards
- A minimum of basic hand tools required
- Knowledge of Excel and Microsoft Outlook is preferred but not required

Education

- Associate Technical Degree or experience in an automation/manufacturing environment is preferred

Job Benefits

Hired employees will receive great benefits along with an extremely competitive compensation package. Benefits will include health, dental, life, short-term & long-term disability insurance paid by the company. Other perks include optional vision insurance, a 401K with a company match, tuition reimbursement options, a competitive bonus program, paid time off for vacation and sick days, and more...
